

# NEVER MISS A PUNCH

## **NASTi** Tips for an Automatic Check-In

### **1. Tap “Ready to Go”**

When you get the text reminder (1 hour before your shift)

### **2. Don’t force-close the app**

Leave NASTi running in the background

### **3. Turn on Location and set to “Always”**

Follow these tips and **NASTi** will do the rest -  
no punch cards -  
just show up and get to work.
